S129 -Magnetic Bit Holders - Bulk -Sutton Tools

Magnetic bit holders are suitable for 25mm insert bits and help you change bits faster for greater productivity.

Features:

- Hex opening: designed to fit all 1/4" hex insert bits
- Rare earth magnet is 4 times stronger than standard magnets
- C-Ring internal clip fits into the retaining notch of insert bits to hold the bit securely in place
- 1/4" hex shank with power groove for use in power tools and quick change adapters
- Tough grade high-alloy Chrome Vanadium steel absorbs shock and offers superior performance
