- Two sizes - standard and small

9192-001

uvex pheos guard + spectacle

9192-002

uvex pheos s guard + spectacle

uvex Point Of Difference	Benefits
Clips into all pheos lens tint/coating options	Can be adapted to a range of environments and the user is not limited to tint or coating options
Clip in accessory	Adds versatility for users to add when needed
Closed cell foam backing	For wearer comfort in hot humid condition and will not pick up dirt
Vented both sides of guard	For both comfort and fog resistance without compromising dust protection

Target Applications (but not limited to):

- Mining industry
 - both open cut and underground
 - maintenance
 - > working under vehicles
 - > under shields when grinding
 - exploration drilling
- Construction
 - civil (road/rail infrastructure, tunnelling)
 - structural (prep work, form work, fit out)
- Sugar milling
 - protection against bagasse
- Fabrication
 - perfect under shield for grinding
